THESIS/DISSERTATION NON-EXCLUSIVE LICENSE PUBLISHING AUTHORIZATION

I confirm that my thesis (dissertation) is my original work, does not infringe any rights of others, and that I have the right to make the grant conferred by this non-exclusive license. I also confirm that if third party copyrighted material was included in my work for which written permission from the copyright owners is required, I have obtained such permission from the copyright owners and may grant such permission for the full term of copyright protection.

I hereby grant to Kuwait University a non-exclusive, worldwide, irrevocable, royalty-free license, in respect of my thesis (dissertation), to reproduce, convert, publish, archive, preserve, conserve, communicate and distribute, and loan, in paper form, and electronically by telecommunication or on the internet, and/or any other formats as may be adopted for such use from time to time without breaching the State of Kuwait Law regarding copyright and related rights.

I hereby grant permission and authorize Kuwait University to permit access to my thesis and make it available to interested persons in paper or electronic form, through the university library, interlibrary and public loan.

I understand that I retain copyright ownership and moral rights in my thesis, and that I may deal with the copyright in my thesis consistent with these rights. I promise to inform any person to whom I may hereafter assign or license my copyright in my thesis of the rights granted by me to Kuwait University.

I agree to indemnify and hold Kuwait University harmless against any claim and any loss, damage, settlement cost or expense (including legal fees) incurred by Kuwait University and arising out of, or in connection with, my statements and representations or this license. The authorization is to have effect on the signature date given below.

[ ] **I consent to authorizing this license.**

[ ] **I consent to authorizing this license and request to delay electronic publication for 2 years.**

[ ] **I do not consent. In the event of changing my decision later, I agree to bear the cost of publication with the university's digital library.**

Chapter 1

Introduction

Starting the Introduction here.

The thesis/dissertation is a written format of the student's research. It should demonstrate the ability of the student to conduct research and investigation in a specified area and present the results with full documentation in a form complying with the accepted standards for scholarly writing. At Kuwait University, the student who is in the process of thesis/dissertation writing, has to satisfy the minimum organizational and production requirements set by the CGS and explained under the relevant headings below.

1.1 The First Section

The text in the first section.

Citations should be made using the **cite{}** or **citep{}** commands, so that they appear like this **?** or like this (**?**).

1.2 Organization of Thesis(Dissertation) Contents

The contents are organized into three major parts and several minor parts. **Preliminaries** The following is a list of these parts and their order of placement within the body of the thesis/dissertation.

1. Title Page

2. Authorization and Copyright Page

3. Signatory Page (signed by the Thesis/Dissertation Examination Committee)

4. Abstract (including keywords)

5. Table of Contents

6. List of Tables (if any)

7. List of Figures (if any)

8. List of Appendices (if any)

9. List of Symbols (if any)

10. List of Abbreviations (if any)

11. Acknowledgments

12. Dedication (optional)

Main Text The main text of the thesis should include

1. Introduction (introductory chapter)

2. Report on the Study (main chapters)

3. Conclusion (conclusion-remarks chapter)

Chapter 2

the title of Chapter "i" goes here

add the text of the chapter

Please remember to compile the main file three times to ensure reference labels are updated throughout the document.

2.1 The First Section

The text in the first section.

2.2 Examples of Tables and Figures

Table 2.1: The caption for the table 1 should go here. Both the table and the caption must be centered.
